

## CURRICULUM VITAE

First Names **Alessandro Giuseppe**  
Surname **Canu**  
e-mail **ale@alecanu.com**  
**agcanu@yahoo.it**  
Website **<http://www.alecanu.com/illustration>**

*I am a freelance illustrator available for hire, locally and remotely. I have a wide range of skills that go beyond illustration itself and I can deal with animation and front-end web design too.*

*I am currently living in Prague. If interested you may contact me on my Czech mobile number, +420 608 916 689*

*Creating illustrations, icons, animations, 3D architectural models, paintings, styling web pages, composing and play music is what I really enjoy doing.*

Skills **Vector illustration, HTML and CSS, hand drawing, painting, music, 3D modelling**  
Platforms **Mac OS, Windows**  
Software used **Illustrator, Photoshop, InDesign, Flash, SketchUp, Logic**  
Language skills **Italian (native), English (fluent), Spanish (fluent), Czech (conversational)**

## EDUCATION

Present **Graphic Design online courses**  
Along with the work daily experience I keep on consolidating my technical knowledge with online courses in various aspects of graphic design including principles and technologies: Motion Graphics, HTML5, CSS3, inDesign, Wordpress are some of the subjects covered.

2000 **Web Development studies, Microtech, London**  
Web development introductory course, foundations of HTML and Javascript languages.

1999 **Business studies, Threshold, London**  
Business plan course, foundations of marketing.

1997 **Illustration and Design stage, FDTdesign, New York**  
Illustration and iconography work for a well-known NY based record label, and other FDT's clients. I was first introduced to discover the Mac as an extremely exciting and powerful creative tool.

1995-1996 **Studies in Graphic Design, Goldsmith's College and Central Saint Martin's College, London**  
Part-time evening courses in graphic design and illustration, theory and practice. Conceptualization and visualization, creative problem solving, foundations of computer graphics.

1989-1998 **Studies in Architecture, Universities of Rome and Florence**

1984-1989 **Surveyor's diploma, Istituto Tecnico per Geometri, Sassari, Italy**
